

ARCH ROOSEVELT PROMOTES RELIEF

Son of Former President Named Head
Emergency Near East Drive.

New York, Oct. 13.—Archie Roosevelt, son of the late Theodore Roosevelt, and vice president of the Union Petroleum company, today was named executive secretary of President Harding's Near East emergency committee, which met here to formulate plans for a national campaign for funds. Mr. Roosevelt, whose services have been loaned by the petroleum company, is on his way to New York from Texas, Will H. Hays, chairman of the committee, said.

President Harding in a letter to the committee today said:

"As the people of America have given generously in every crisis that has occurred in China, Russia, India and all parts of the world, so they must give and give a great sum now—millions of dollars—if the lives of these victims are to be saved. No appeal of real need from whatever part of the world has ever been made in vain to America."

Besides Chairman Hays those who attended today's meeting were Dr. James L. Barton, of the Near East relief; J. G. Gahy, of the Literary Digest; James A. Flaherty, Knights of Columbus; Mrs. John French, Y. W. C. A.; George Barr Baker, representing Herbert Hoover, American Relief administration; John R. Mori, Y. M. C. A.; John Barton Payne, American Red Cross; Robert E. Speer, Federal Council of Churches; and E. C. Somers, of the Jewish Joint Distribution committee.

The committee determined that the strength of the American Red Cross and the Near East Relief should be combined for the drive. The other organizations represented in the committee are not to set up separate campaign outfits, but will throw the strength of their membership behind the main drive. A national co-operating committee to be selected from every state in the Union by President Harding is to be announced next week.

To Stop a Cough Quick

take HAYES' HEALING HONEY, a cough medicine which stops the cough by healing the inflamed and irritated tissues.

A box of GROVE'S O-PEN-TRATE SALVE for Chest Colds, Head Colds and Croup is enclosed with every bottle of HAYES' HEALING HONEY. The salve should be rubbed on the chest and throat of children suffering from a Cold or Croup.

The healing effect of Hayes' Healing Honey inside the throat combined with the healing effect of Grove's O-Pen-Trate Salve through the pores of the skin soon stops a cough.

Both remedies are packed in one carton and the cost of the combined treatment is 35c.

Just ask your druggist for HAYES' HEALING HONEY.

ASPIRIN

Insist on Bayer Package

Unless you see the name "Bayer" on package or on tablet you are not getting the genuine Bayer product prescribed by physicians over twenty-two years and proved safe by millions for

Colds, Headache, Toothache, Lumbago, Earache, Rheumatism, Neuralgia, Pain, Pain.

Accept only "Bayer" package which contains proper directions. Handy boxes of twelve tablets cost few cents. Druggists also sell bottles of 24 and 100. Aspirin is the trade mark of Bayer Manufacture of Monoceticacid-ester of Salicylicacid.

RED CROSS HEALS WOUNDS OF WAR

25,000 Disabled Ex-Service Men
in Hospitals After Four
Years of Peace.

CHAPTERS' FIELD OF SERVICE

Every Veteran Needing Help Gets
Individual Attention of Sym-
pathetic Workers.

When on November 11 the world halts to observe the fourth anniversary of Armistice Day, and the American Red Cross inaugurates its Annual Roll Call for the enrollment of the 1923 membership, the people of the United States may well pause to think of the unparalleled contribution to the cause of peace made by our Army and Navy in the World War. The glory of it is a common tradition; but the wounds of war remain. They are not healed in a day, in a year, nor in four years. And on Armistice Day there will be under treatment in Government hospitals over 25,000 ex-service men, broken physically by wounds, exposure, nervous strain and exhaustion incident to their service in the war.

The Government without stint is undertaking to furnish these disabled men with the compensation and medical care to which they are entitled, yet their special care is a duty of the Red Cross. Why? Because the Government cannot handle the cases of ex-service men individually; it must handle these men in bulk under a standardized policy. The Government has neither the authority, the funds or the equipment for working out the problem of the individual man. There is where the American Red Cross finds its greatest field for service, aiding through its very active Chapters in reaching the disabled man with immediate practical help, assisting his family while his claim is emerging from the process of adjustment, furnishing articles of comfort, funds to tide over the difficult periods, the friendly touch of personal encouragement, helpful recreation and worry-dispelling amusement. It is the warm hand of sympathy and understanding which the American Red Cross extends to the majority of these disabled ex-service men, some of them friendless in the whirl of life, thousands of them with wives and children dependent upon them, and hundreds of them frequently helpless in the face of grim necessity.

2,679 Chapters Aiding Veterans

In this work, upon whose accomplishment the American Red Cross is urging a record-breaking enrollment in the Roll Call which opens on Armistice Day and closes with Thanksgiving Day, 2,679 Chapters in all parts of the country are engaged. This is 350 more than were working for ex-service men last year when approximately \$10,000,000 was expended by the National Organization and the Chapters working together in harmonious unity.

For the current fiscal year National Headquarters appropriated \$3,930,692.90, an increase of \$365,590.84 over the amount spent for the work among ex-service men in the year ended June 30 last. Since it is estimated that the Chapters will expend close to \$7,000,000 from their own funds, the grand total of Red Cross expenditures for this single year is expected again to reach the \$10,000,000 mark by June 30, 1923.

Hospital and District Office Work

During the fiscal year a total of over 1,000 persons, paid and volunteer, has been engaged in Red Cross duty in hospitals or district offices of the U. S. Veterans' Bureau. An average of 8,000 new cases requires definite and particular attention each month. The demand for Chapter-made articles for hospital patients is constant.

During last year Service Claims and Information Service at National Headquarters handled 37,200 compensation and insurance claims, 24,560 allotment and allowance cases, and 9,700 miscellaneous claims. Since February, 1919, it has disposed of 61,174 allotment checks payable to veterans which the Post Office Department reported undeliverable.

The Chapter is the unit of the Red Cross organization which is accessible to every disabled veteran or his family. Between July 1, 1921, and June 30, 1922, the Chapters had reported 1,665,079 instances of service to ex-service men and their dependents, at a cost estimated from reports now at hand of more than \$5,340,000.

The basis of this far-reaching work of the Red Cross is the individual needs of the disabled veteran to the end that he may obtain his rights under the law, that his special wants may be immediately supplied, that his own and his family's situation may be rendered happy and cheerful, and that their outlook for the future may visualize incentives for independent and fruitful effort.

Spread Christmas Joy Abroad

More than 100,000 Christmas boxes for the children of Central Europe were packed by the Junior Red Cross last year. The spread of Christmas joy through these boxes will be largely increased this year because of the plans already under way.

Your Peace-Time "Bit"

Not "all you can," but your "bit," \$1, makes for strength of the American Red Cross in peace-time service. Strength in numbers multiplies service. Join today.

RED CROSS WINNING IN FIGHT FOR HEALTH

Better, Stronger Citizenry Now
Emerging Out of Work in
United States.

The American Red Cross as an evangelist of better health has looked its problem square in the face. How it accepted the task revealed to it in the nation's physical condition as brought out during the World War, and conscientiously applied its activities to correction forms a vivid chapter in the forthcoming annual report. Historically and practically, nursing is a basic work for the Red Cross. In its public health nursing service, in instruction in home hygiene and care of the sick, nutrition classes, first aid and life saving courses and health centers, the American Red Cross is applying effectually the lessons learned during the war and making for a healthier, stronger and better nourished citizenry.

The task of the Red Cross Public Health nurse in the 1,210 nursing services now operating throughout the country instructing their communities in health essentials and disease prevention is demonstrating the possibilities of human betterment and the great benefits of enlightenment.

During the last year 313 new public health nursing services were established by Red Cross Chapters, and several hundred services so convincingly proved their effectiveness that they were taken over by public authorities. In order to promote this work \$30,000 was allotted to provide women to prepare themselves for public nursing. The home visits made by the 1,210 nurses aggregated nearly 1,500,000, visits to schools numbered 140,000, and in six months 1,250,000 school children were inspected by these nurses and where defects were found advised examination by physicians. In rural communities this service has made a very marked advance and has won thousands of converts to approved methods of disease prevention.

In home hygiene and care of the sick instruction, which fits the student in methods of proper care where illness is not so serious as to require professional service, the Red Cross conducted 3,884 classes during the last year, enrolled 2,356 instructors, 93,448 students and issued 42,656 certificates.

On June 30, 1922, nutrition service embraced 1,199 classes, with a total of 27,523 children and 2,589 enrolled dietitians. Seventy-eight food selection classes graduated 733 who received Red Cross certificates. In general health activities Red Cross Chapters maintained 377 health centers, serving as many communities, provided 38,751 health lectures for large audiences everywhere, while clinics numbered over 10,000.

Red Cross Gains Strength in All Foreign Fields

In insular possessions of the United States and in foreign lands the American Red Cross scored heavy gains during the last year, passing the previous membership high mark of 1918 by 4,261 and advancing the figure to 156,408. The Philippines take the lead, gaining nearly 100 per cent, now having 115,917 members. In Europe the 1921 Roll Call enrolled 11,125, with the Constantinople Chapter reporting 665, a gain of 33 members. China was 1,782 members, a gain of 506; the little Virgin Islands have 1,000, while the Dominican Republic with 2,927 advanced from its previous high mark by 1,423 new members. Haiti, organized in 1920, now has nearly 1,000 enrolled. Mexico reports 354, a gain of 327 in one year. The American Red Cross has spread its membership over some 70 foreign lands, and its Junior membership outside of the United States is close to 709,000.

Red Cross Water First Aid Makes Life-Saving Gain

More than 325 Chapters engaged in life saving or water first aid last year with the result that the American Red Cross Life Saving Corps has set a new high mark for enrollment and the number of qualified life savers developed. The influence of "learn to swim week" in many localities is reducing the water fatalities through instruction and the wider dissemination of resuscitation methods demonstrated by the Red Cross representatives. Excellent work has been done in teaching a large part of the American population how to take care of itself in the water. Growing appreciation for this Red Cross Life-Saving Service is shown by the compulsory instruction adopted in many cities for members of the police and fire departments in the prone pressure method of resuscitation.

Help to Help Others

You can't "give until it hurts"—for giving an American dollar to join the American Red Cross helps you to help others who are hurt and who need relief.

The Philosophy of Peggy

PEGGY: ONE NEVER KNOWS WHAT FREEDOM MEANS TILL ONE HAS SEEN THOSE WHO ARE NOT FREE, A LITTLE HELP BY ALL OUR HOME PEOPLE WILL DO A GREAT DEAL.
